Subbuteo Club Temploux would like to invite you to the OPEN INTERNATIONAL, which will be organized on 8 and 9 February 2020

Individual competitions on Saturday, team event on Sunday

We accept registrations until Tuesday 20 February 10 pm (via Messenger or e-mail to benmas35@yahoo.fr).

ORGANIZATION

This competition is homologated by the FISTF and is organized by the Subbuteo Club Temploux.

The tournament follows the rules of the FISTF. Every participant is supposed to know these rules and will have to respect them.

The competition is played entirely on “Astro Base Pro” pitches.

In each category and for the team competition, we prefer groups of 4 participants or teams.

In order to demonstrate that our discipline deserves to be called a sport, a sport outfit is required.
